Dear Dr. Jain:

Thank you so much for participating as a speaker at POMA's 5th Anniversary Business Conference. The event received excellent reviews by attendees.

Your enthusiasm for the event, willingness to craft sessions based on POMA's needs and parameters, and your comfortable presentation style were a big part of the event's success. We received terrific comments about you from members.

In addition, I must applaud your decision to step out of your comfort zone, attend shooting day and learn how to shoot. Bulls eye — on the target and as a person willing to look at the shooting sports with an open mind.

Rachna, I hope we'll be able to work together again. POMA Chairman Bill Miller and I are pulling together the outline for the 2011 Ogden program and we're hoping we'll be able to include you in it. I'll be back to you in early November with further details.

Again, thanks for everything. You're a star.

Warm regards,

Laurie Lee Dovey
